

Accommodation for Exchange Students

YOUR ACCOMMODATION OPTIONS

The main campus of Westfälische Hochschule is located in Gelsenkirchen, with both teaching and residential facilities. Accommodation options for our exchange students studying at our main campus in Gelsenkirchen are available at our student residence "**Wodanstraße**".

Our student residence "**Wodanstraße**" (Wodanstr. 7a-f, 45891 Gelsenkirchen) is located closer to the city centre in Gelsenkirchen-Erle. It is a newly built, three-storey building comprised of three blocks including **155 single rooms**.

Here you can rent private rooms inside shared-flats consisting of 3 or 4 rooms each - sharing a kitchen, shower, bath and toilet, all **completely furnished** by the International Office.

The kitchen is partly-equipped with cookers, fridges, crockery, cutlery, pots and pans. Self-catering is a must. The landlord provides the bedding (pillow and cover), but linen are not available. As a resident, you are responsible for the **cleaning and furniture** of your own room and for any damage caused.

RENTAL PRICE + PERIOD

The rental contract runs for the duration of one semester (6 months) or a whole academic year (12 months), including semester breaks. It is not possible to end the rental contract earlier.

The total rent amounts to **1.896€ - 2.040€** per semester.

For your reservation a **down payment of 800€** has to be paid by **February 15th/August 15th** directly to the residence administration (not to Westfälische Hochschule). The outstanding amount of the rental price has to be paid by May 1st (summer semester)/ by November 1st (winter semester). The landlord will contact you with further information.

Those students who are not interested in our above-mentioned accommodation options, have to search for a suitable accommodation **on their own**. However, as we do not provide any information about further accommodation options, an appropriate accommodation with a moderate price is difficult to find in Gelsenkirchen. Therefore, we highly recommend to choose a room in our **student residence**.

RESERVATION

In order to reserve a room in our university residence, please fill in the **accommodation form** and send it back to us. Since the number of applications normally exceeds the number of rooms available for our exchange students, our recommendation is to **reserve your room as early as possible**. Upon receipt of your application form, a room will be allocated to you. As soon as you have received our letter of confirmation, your room will be reserved for your stay.
